## VEEC2018 & ITDE2018

The ITDE2018, which takes place in Marina di Campo on 5-6-7 October, hosts the last round of the Vintage Enduro European Championship 2018 under the aegis of FIM Europe and FMI.

For the VEEC standings, only the times of Saturday 6 October will be taken into consideration (three laps of the track, each about 50km) that will be valid for both races, albeit with different Categories, Classes and separate Classifications.

To harmonize the categories, at ITDE we added the VEX category for bikes built in 1987, 1988 and 1989.

However, the registration for the two races is not automatic since they are two different races and the Regulations, the Categories and the Classes are also different.

Registration for VEEC only on 6 October is 100 EUR.

For those riders participating in both ITDE and VEEC the cost will be 40 EUR to be added to the enrolment of the ITDE.

Saturday evening at 8.00 pm there will be the awarding of the VEEC with the celebration of the 2018 European Champions.
